17/4 **Public Participation**

A member of the public indicated that they wished to discuss comments on the draft neighbourhood plan but the chairman explained that the purpose of tonight's meeting was only to decide whether or not to run a second public consultation and there was to be no discussion about the plan itself. If it was agreed to run a further consultation, there would be a further opportunity for the public to make representations which would be considered by the parish council in due course.

17/5 **Harbury Neighbourhood Development Plan – Regulation 14 Pre-submission Public Consultation**

Advice had been obtained from SDC regarding the need for further consultation following the parish council's decision to make various amendments to the draft plan following the recent public consultation. It was **RESOLVED** (proposed by Cllr Lockley, seconded by Cllr Christou) to run a second public consultation on the amended draft plan which will run for 6 weeks. The clerk will liaise with the NDP planning consultant regarding the starting date to allow adequate time for the consultant and the clerk to prepare all the relevant documents.
