

Minutes of the NDP Meeting on Tuesday 20th October 2015
7.30 at the Village Club

Present: Roger Gardner, Hazel Turner, Samantha Allen, Keith Thompson, Janet Thornley, Chris Burnham, Linda Ridgley, Bob Sherman, Andrew Patrick, Jenny Patrick, Chris Gibb, Pat Summers.

Apologies: Tim Lockley

The group were gathered to give their opinions on the 2nd Draft produced by Michael Wellock from Kirkwells. It had been emailed to everyone at the beginning of October. Chris Burnham was attending for the first time, although he had been “kept in the loop” previously.

Sam brought with her five printed copies of the Draft so that comments could be made and notes taken by members of the group.

Minor alterations were made to Sections 1, 2 and 3 (usually typing errors). In Section 4 Michael advised taking out Objective 10 as it was already included in Objective 1. This was agreed.

There was much discussion over the Settlement Boundary Map, and the policies and proposals relating to it. It was agreed to leave it as it was because without it there would be much in-filling and development on the edges of the village.

In Section 5 the policies H.01 to H.16 were discussed at length and alterations made.

Linda had done a lot of work on green and open spaces, but this had not been sent to Michael in time for him to include it. She said she would do that in the next couple of days.

The meeting closed at 9.40pm.

The next meeting is with Michael on 4th November, 2pm in the Library. He will produce a 3rd Draft for that meeting.
